### If approaching Gate A

Walk back onto Shooters Hill/Belgrove Road and continue past the petrol station and the public house. Take the second road after the pub called Hill View. Walk all the way to the end of Hill View and you will see a gate leading onto a fenced footpath. This is public footpath 245. Follow this path all the way until it emerges onto Wickham St/Chaucer Road (next to a public house). Turn left, staying on the same side of the road. Follow Chaucer Road until you get to Keats Road (3<sup>rd</sup> road on the left). Continue down Keats Road and here you rejoin the Green Chain where the road bends to the right.

### If approaching Gate B

Walk back to Keats Road and continue along it until you meet Chaucer Road. Continue up Chaucer Road until you reach a public house on your right. Here you will see a sign post for public footpath 245. Take this footpath and follow it all the way until it emerges into Hill View. Walk straight down Hill View until you meet the main road (Belgrove Road). Turn right, staying on the same side of the road, and continue along past the public house and the petrol station. At the traffic island cross Belgrove Rd and rejoin the Green Chain.
